

Trusted trade, across oceans.

Calderhaven is a European trading house. We source, contract, finance and ship food, agricultural commodities and industrial goods worldwide.

THE HOUSE

Calderhaven trades on its own account. We are the contracting party: we take responsibility for specification, documentation, payment security and delivery. Registered in the European Union and operating under European standards, we work with partners who value precision and reliability.

Our name on the contract.

We stand behind every agreement we sign.

Verified quality.

Independent inspection before loading.

Documents first.

Clean paperwork moves cargo and money.

WHAT WE TRADE

Rice and grains.

Long- and medium-grain rice, cereals and pulses.

Agricultural commodities.

Sugar, coffee, cocoa and other soft commodities.

Food products.

Shelf-stable and bulk food for distributors and processors.

Raw materials.

Selected industrial and mineral inputs.

Industrial goods.

Manufactured goods sourced to specification.
